

Guide to Routing Number Changes

Nicolet Bank Routing Number: 075917937

If you have Baylake Bank checks, it's time to order new checks with the Nicolet National Bank Routing Number. The former Baylake Bank Routing Number will soon be retired. To prevent delays in your payments being processed, please order new checks. Your account number is not affected and will not change.

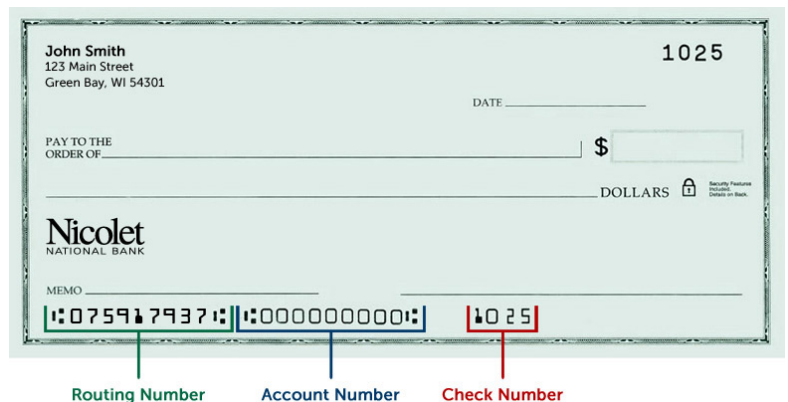

This routing number is also used in ACH payments and deposits. ACH stands for Automated Clearing House, which is a network that coordinates electronic payments and automated money transfers. Routing Numbers are a nine-digit code that's based on the bank location where your account was opened. When banks merge, routing numbers are kept on the system to help the customer transition. Baylake Bank has been Nicolet National Bank since 2016.
